3 December 2020

Afshin Tanouri
Management, Marketing and Entrepreneurship
UNIVERSITY OF CANTERBURY

Dear Afshin

The Human Ethics Committee advises that your research proposal “Transformative Gamification Services for Mental Well-being: a Mental Well-being Booster Game for University Students” has been considered and approved.

Please note that this approval is subject to the incorporation of the amendments you have provided in your emails of 18th and 27th November 2020.

Best wishes for your project.

Yours sincerely

Dr Dean Sutherland
Chair
University of Canterbury Human Ethics Committee
